

MARY BETH CARISEO

MaryBeth (MBC)

Even though we didn't see each other that much this year I think we are still good friends cause we were such good friends since 9<sup>th</sup> grade! Remember how we used to always hang around together + walk down the halls all the time checking out guys - especially Steve S in Comillas JH + how we walked by his science room + I yelled "Hey Steve!" Also, how we'd stand on the bridge + gossiped + gossiped + gossiped all those hour long phone calls between our house, people used to always say "I've been trying to reach you + MBC for the longest time" Those were excellent phone convos. Also our sophomore + junior years w/ Mike Viti, Tom Kennedy, Alan "asshole ficker face" Pensabeen (what a stupid fart, but didn't I make up 1<sup>st</sup> I knew it was stupid) Don Donnegan, That really greer fart over Mac, (just call me Karen "greer" Haley) also Crockett + all the other men. Remember how I was in love w/ Steve Penshaw + we used to walk past 209 all the time. That was funny - + Don won't stop laughing everytime he thinks of me + him underneath those stairs at Dunny's house when his parents were on that 3wk vacation Holy shit - talk about wild. Dunny's had some good parties, we've gotten pretty drunk together, MBC, + we don't need a party!! I'll never forget all those walks up + I went on w/ our alcohol! Especially J.P. night when you + me + Oman killed that bottle + hit the Price Chopper store ("I gotta fart") I'll never forget that, it was so funny! Of course I'll remember how I used to practically live at your house when we used to get a bunch of us together + drink + hit the HBO science. I still know where everything in your house is. Remember that very long year, MBC, when you →

I think you're as glad to get out of here as I am so I just want to say, good luck in the future. You're really a good friend and I hope we stay in touch. ## THE 1979-1980 WEST GENESEE WILDCAT MARCHING BAND

The school and community would like to congratulate the Wildcat Marching Band on their exceptional performance at the 59th Festival of States Championships. The band received first place honors in the field competition, second place in parade, and third place in concert.

We hope that this outstanding institution will continue to grow and that future members will have the opportunity to experience the splendor of being a national champion.

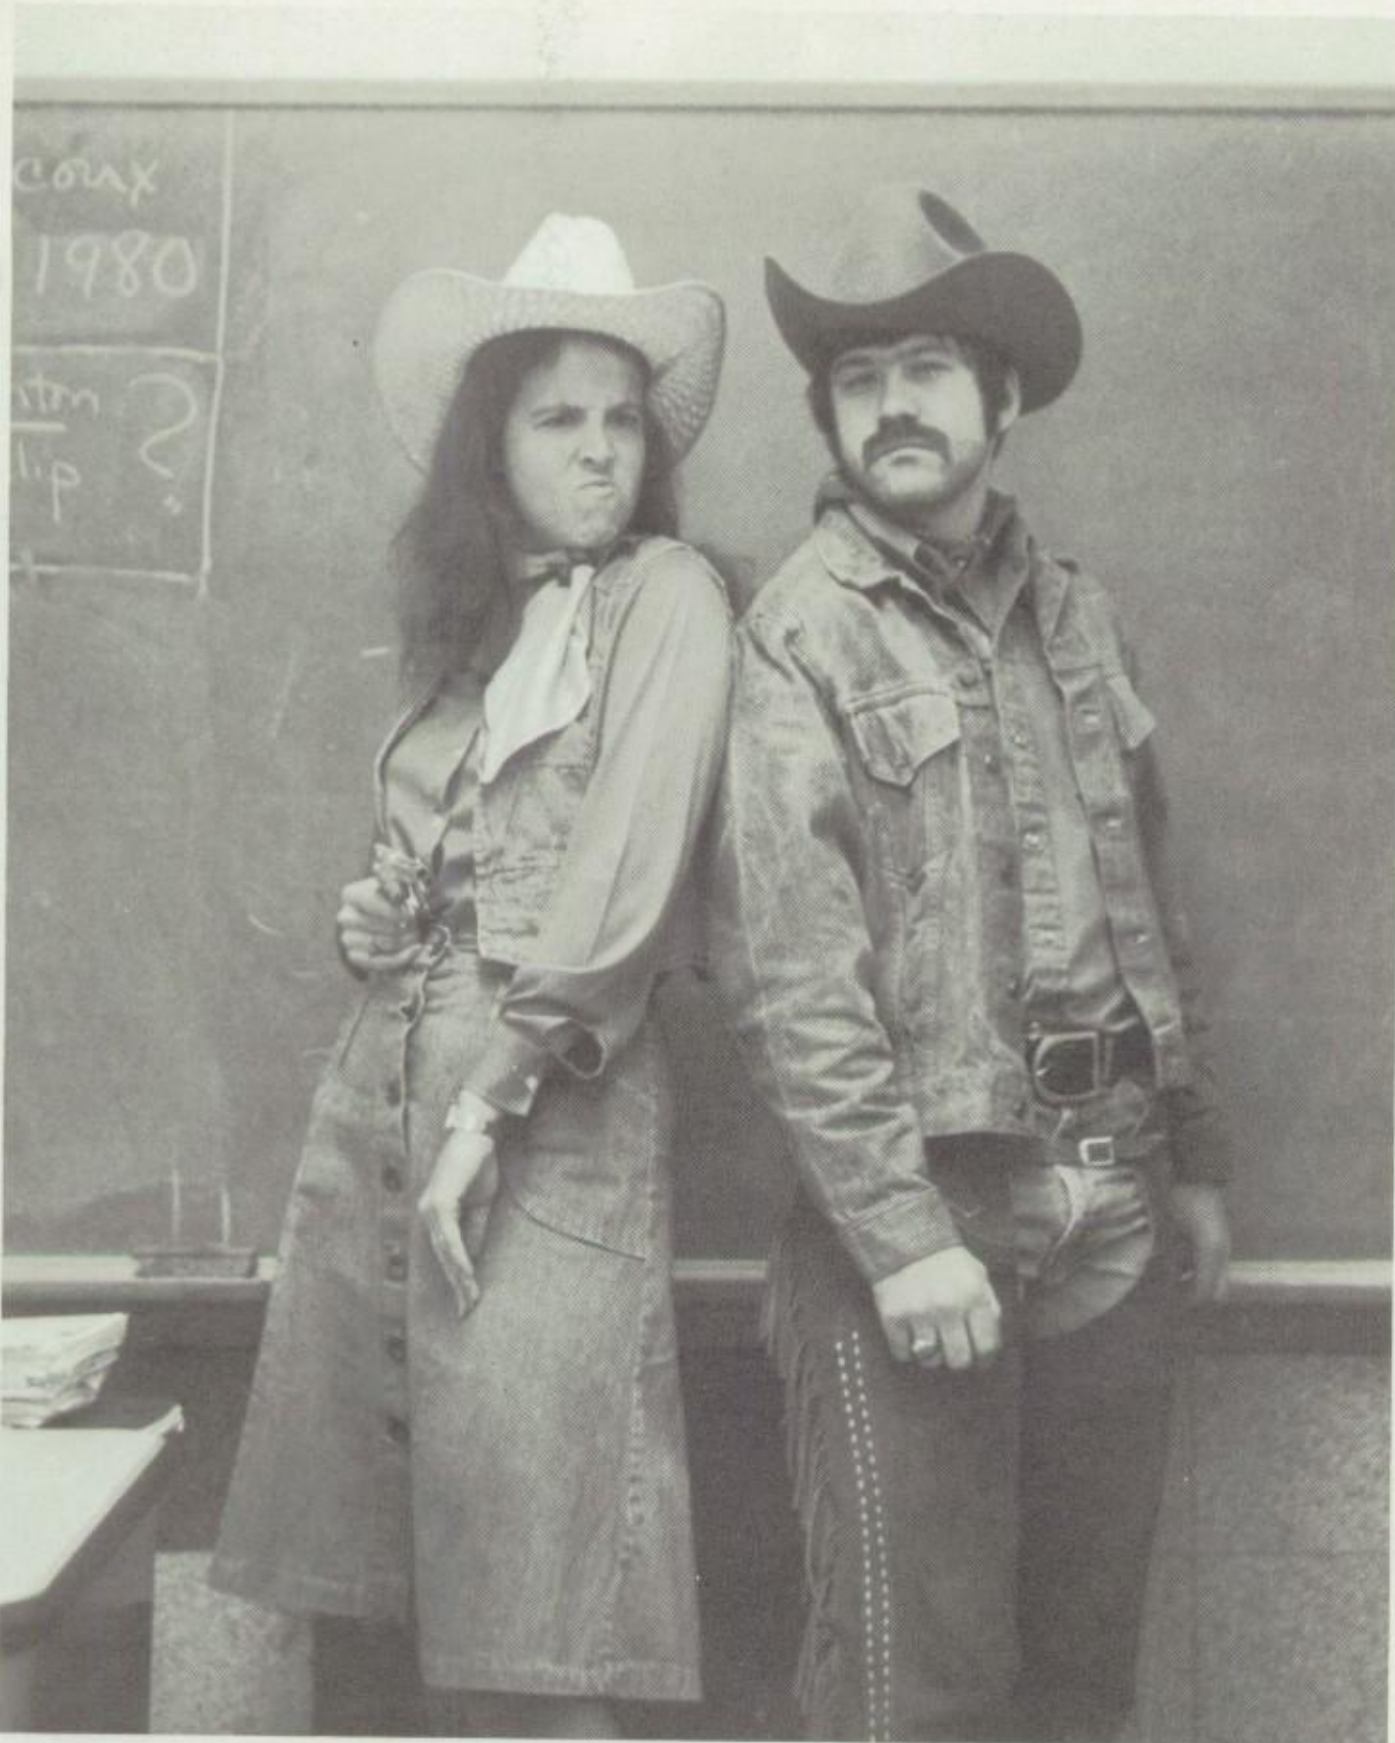

# THANKS FROM THE CLASS OF 1981

We dedicate the 1981 Genesean to Mr. Cost and Mrs. Marcoux as a way of expressing our gratitude for their continuous help and constant presence throughout our high school years.

Mr. Cost has devoted many valuable hours to the growth and maturity of our class. He has advised many extra-curricular activities including: Sophomore Class, Junior Class, Yearbook, Student Council and Lacrosse Coach.

When we discovered ourselves facing the dilemma of finding a Senior Class Advisor, Mrs. Marcoux came to the rescue and volunteered to undertake the arduous task. The numerous activities which she has advised have proved very beneficial to the Class of 1981.

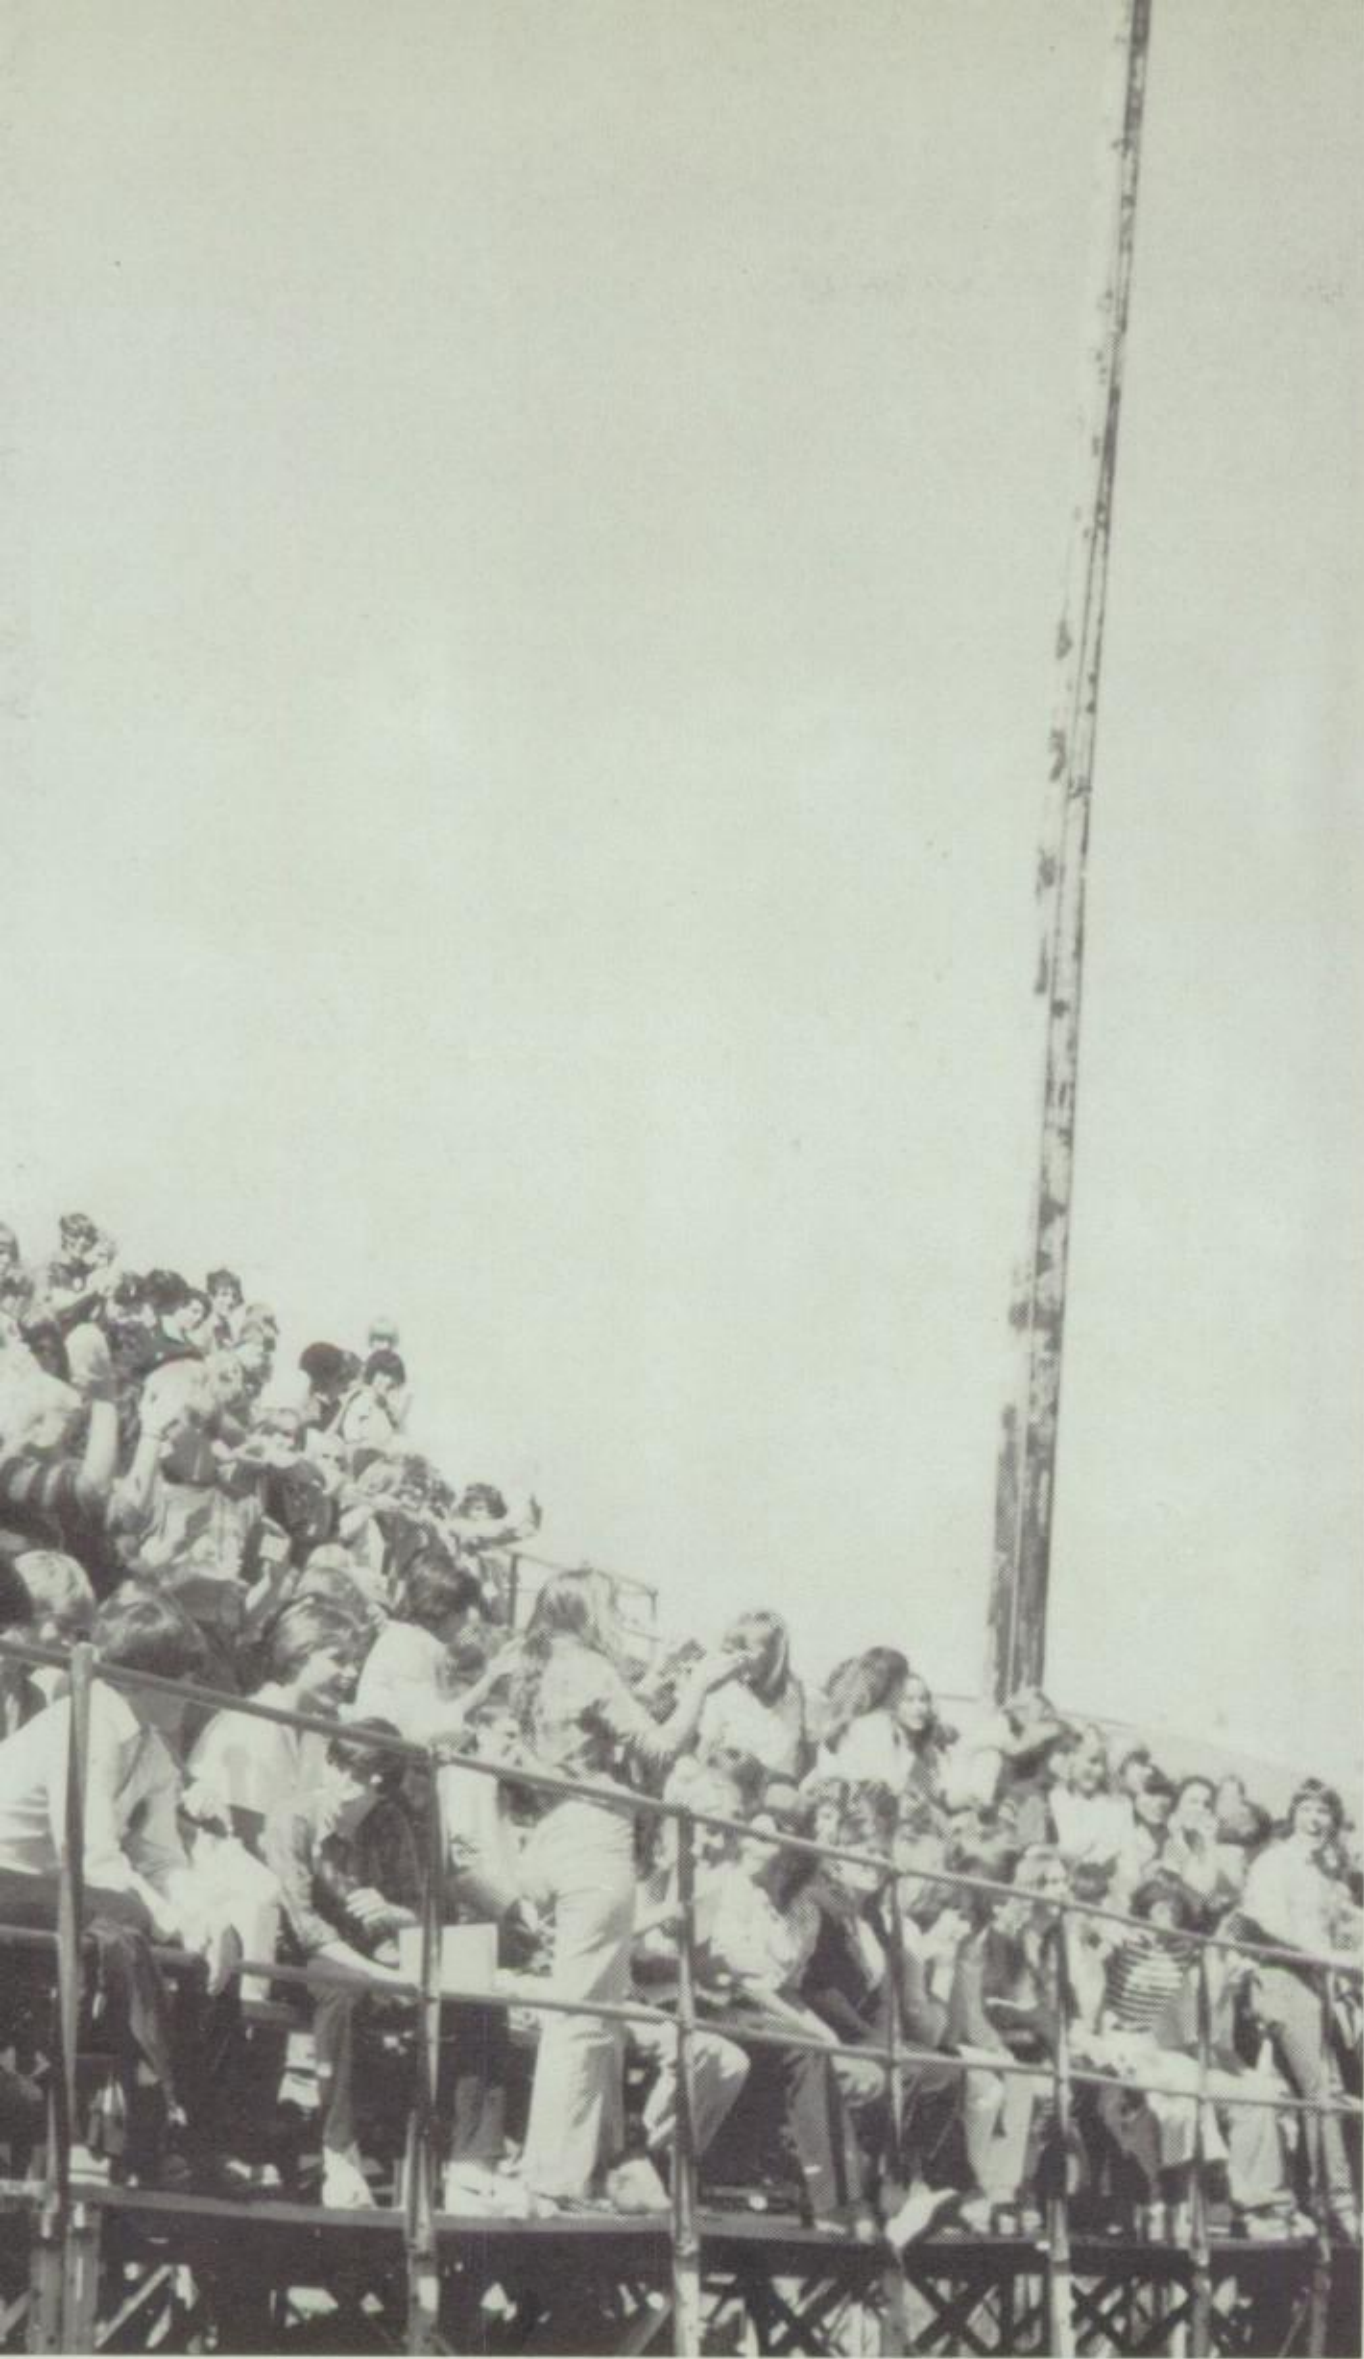

Both Mr. Cost and Mrs. Marcoux have set a high personal standard for the class of 1981, and we can never thank them enough for all they have done . . .

# ODE TO THE WEST GENESEE WILDCAT MARCHING BAND — 1980

Looking toward the Florida sun, we're the Wildcats, Number One  
Thank you for inviting us here, hope you like our show this year  
Came by plane, by car, by bus, we're gonna take that trophy home with us  
In '76 we won first prize, with tears of triumph in our eyes  
Our spirits high, our honor true, we wore our colors gold and blue  
Our uniforms are new this year, our music fine and oh, so clear  
The staff is tough, and a little mean; our lines are straight, our show is clean  
They work so hard all day and night, they'll keep us here till we do it right  
Pine Grove has been the place to meet, with aching muscles and sore feet  
Practice, practice, please no more, our tails are dragging to the floor  
Snow comes down, our schools are closed, we still have practice, wear warm clothes  
We needed funds we didn't know how, but all was raised by the sweat of our brow  
A chicken dinner one hot day and auction got us on our way  
Sold groves of fruit, had a garage sale, got stacks of tickets in the mail  
Smoker, dance, spaghetti dinner, buy a raffle and be a winner  
All worked hard so we could go, even had a TV show  
Dollars rolled in by the score, only need ten thousand more  
It was work and it was fun, we did things that couldn't be done  
So many to thank for their generous share, of time and effort we know they care  
We march on the field in a straight line, every footstep keeping time  
Helmets white, all in a row, batons twirling set to go.  
Now hear the drum, hear the flute, our guys are handsome, our gals are cute  
Banners, trombones, trumpets, too; so strong, so proud of what we do  
A turban here, a black cape there, rifles tossed high in the air  
The crowd is cheering and waving hats, hear them yelling "GO WILDCATS"  
Black boots polished, silver gleaming, parents, friends and fans are screaming  
Listen to the roar of the crowd, we know they love us and feel so proud  
Think by now you've heard enough, in 1980 just watch our stuff  
Our show is great and what a score, we'll take that trophy home once more  
So look out Florida here we come — We're the Wildcats Number One.

Wildcats Band Parent

## **A TRIBUTE**

*To: Mr. Bruce Burritt*

*The members of the West Genesee Wildcat Marching Band would like to thank Mr. Burritt for all his contributions to the music department. Since his arrival in 1965, Mr. Burritt has given his service, leadership, musical talents and time to help build the W.G. Music Department to what it is today. He has been instrumental in developing the Wildcat Marching Band, which has risen to capture seven N.Y. State Championship titles and two Festival of States National Championship titles, in 1976 and 1980. Under his conducting, the W.G. Wind Ensemble attended the Chicago Midwest Band Clinic in 1977 and received third place in the Festival of States National Concert Band Competition, in 1980. Mr. Burritt also gives of himself to each and every member in the band. He teaches self-discipline, determination, and instills in each person a sense of pride extending from the individual, to the whole organization. Thank you, Mr. Burritt, for teaching us how to "Believe," and best wishes for the future.*

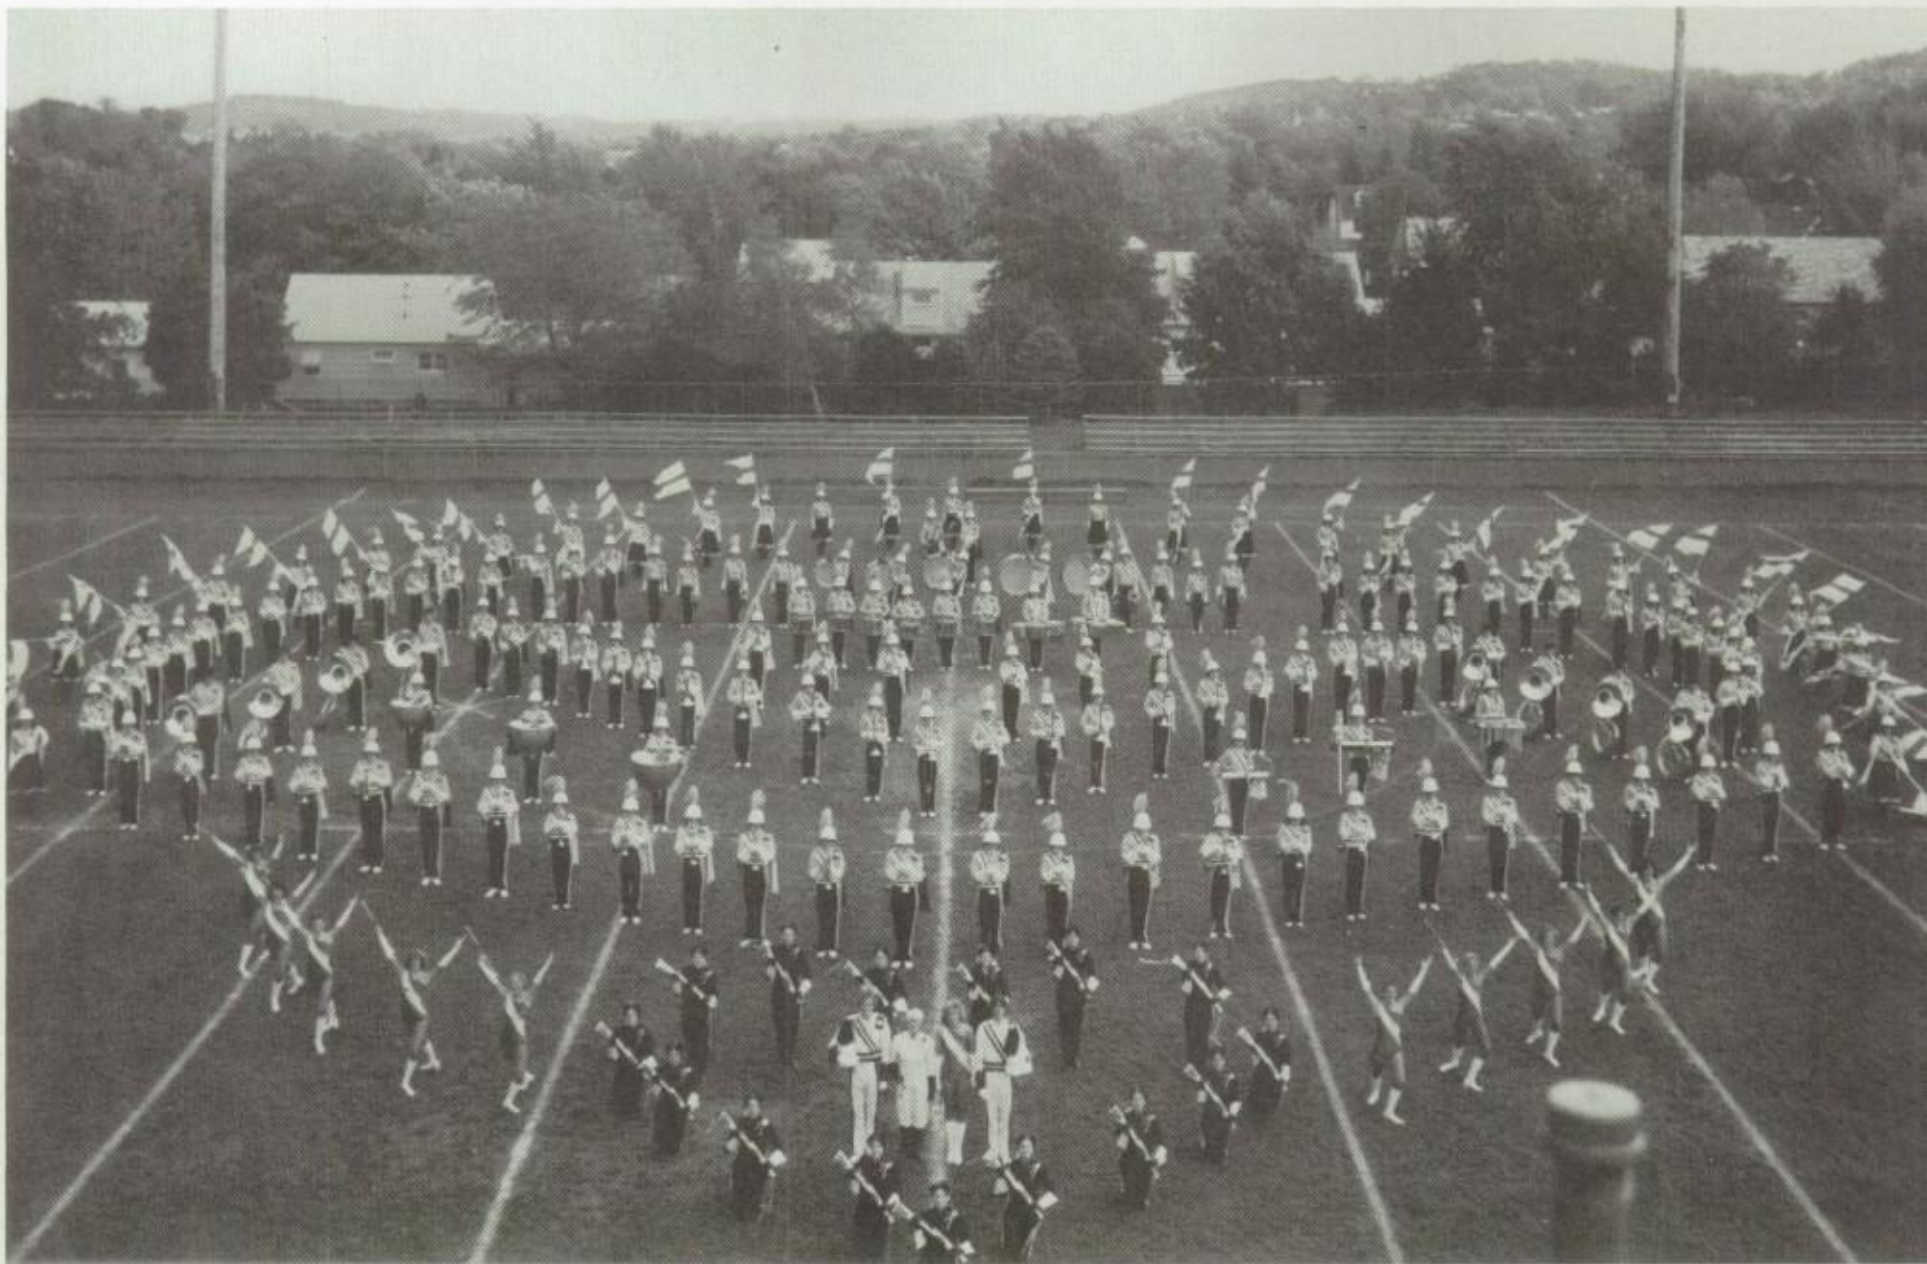

Sincerely,

The Wildcat Marching Band  
1980-1981

Members from all departments participated in comical depictions of each of the "twelve days." At the end, the auditorium joined together and sang Christmas carols.

This book is an attempt to capture and represent the past year we have spent here at West Genesee. We, the 1980-1981 Genesean staff are all diversified in our feelings, actions, styles, and goals, yet, through these differences we have produced what we feel is a yearbook which the class of '81 will be proud of.

This is a special time of the year for all the graduating seniors. We look back on the past three years and realize how very important and unique each year has been. We think of this as not an end, but, leaving West Genesee is only a beginning.

We wish to all, luck and success in everything you do, and we hope we have captured for you a portion of the times spent at West Genesee.

Mary Beth  
Well, guess  
where I'm writing  
this. In Detention  
with you. Yes, I did  
write the same thing a  
few and that's been almost  
8 months. I have been the best  
Thanks for being yourself. I love  
you just the way you are. Just  
Remember I love you, Always and Forever

Marybeth,

Even though I haven't seen much of you this year I think we've become pretty good friends thru Sociology. I'm glad you were in that class - with all your last years tests and answers. Maybe we can get together over the summer, and at graduation time - you can come to my grad party - as soon as I find out when it is - I'll let you know. Well MBC, I wish you the best of luck in the future - w/Danny or whatever. I hope you have a great summer and always remember all the parties and other good times we all had during our Senior Year. I want an invitation to the wedding - don't forget! Good luck on your Sociology final - even though it will be a cinch.

See ya around,

Love always

Marybeth J.
